KANSAS CITY, KANSAS AND ROSEDALE DEVELOPMENT ASSOCIATION COOPERATE IN PLANNING  
REDEDICATION OF THE ROSEDALE MEMORIAL ARCH

On July 20, 1923, over 5,000 people attended groundbreaking ceremonies for the Rosedale Arch, in memorial to soldiers of the 42nd/Rainbow Division who fought during World War I. French war hero and commander of these American troops in France, General Henri Gouraud, turned the first spade of earth. Patriotic bunting lined the streets, French and American patriotic songs filled the air and hundreds of military personnel participated, including 350 troops from Fort Leavenworth.

On Saturday, July 23, 1988 the City of Kansas City Kansas and the Rosedale Development Association will sponsor a rededication of the Arch, recognizing the 65th anniversary of this historic event.

Members of the Rainbow Vets and the French Consulate have pledged their support for our planned activities and will participate to the fullest extent possible.

We plan for this event to be shared by the community and can use any input that individuals or other organizations might have. We wish to include as many veterans of the WWI Rainbow Division as possible, and to incorporate the history of the groundbreaking as an integral part of the 65th Anniversary celebration.

For further information, or to lend your support for this event, please call the Rosedale Development Association as soon as possible at 677-5097.

In the meantime, mark the date of July 23, 1988 on your calendar and plan on joining KCK and the RDA as we rededicate the Rosedale Memorial Arch.

MAJOR HUDSON CONDOMINIUMS-NEW LIFE FOR AN OLD BUILDING

Major Hudson(Elementary)School closed in June 1984 and was scheduled for demolition when Brad Nicholson saw the boarded up building and bought it. Fred Coulson co-developed plans, along with architect Larry Goldblatt, to turn the 60 year old building into Wyandotte County's first luxury condominiums.

With construction well underway throughout the structure and 2 units already sold(one to developer Nicholson), the condominiums represent a unique project in Wyandotte County and they have received rave reviews from everybody who has visited.

How did this happen? What were the stumbling blocks when getting this project off the ground? What has all this hard work produced for the Rosedale community?

Come hear developer Brad Nicholson as he talks about Major Hudson Condominiums at our next monthly breakfast meeting on Tuesday morning, February 16, 7:30 AM at Shoney's. Bring a friend and share the excitement.

Breakfast bar available at \$2.99 per person.
