## WHO WE ARE:

Since 1978, Rosedale Development Association has been Rosedale's partner in growth. What started as a community effort to fight blight and crime has blossomed into a regionally-recognized organization working to create a thriving area of Kansas City, KS.

Today **our mission** is to work with residents, businesses, and institutions to develop a thriving Rosedale.

Whether we're building a trail, fixing a home, planting a seed, providing youth programming focused on healthy eating, active living, job readiness, and financial literacy, advocating for bike trails and park improvements, or strengthening our services to meet community needs, **your** participation in the Rosedale Disc de Triomphe supports our work to make Rosedale a better place for all who live, work, and play here.
